Vacuum your home from your hot tub..

You have a smart phone, why not own a voice-controlled vacuum cleaner?

The brand-new *iRoboclean* uses self-guiding smart mapping to clean corners, surface edges, and navigate “no-go” zones as you control it from your phone from anywhere.

You will be receiving the health benefits of the iRoboclean’s continuous powerful suction and allergy filters as it periodically re-charges itself and activates its self-emptying feature
